## Chapter 1 by **Strawberrychan17**

I'd never known the pleasure of having intellikat spit out a draft on my pitiful stories and weak prose. Yet, I would wait quite as intently as I could. The cat had to be out there somewhere...right?

## Chapter 2 by **Phantim**

Or has he left us? Has this site become an unrecognizable cesspool to the once proud leader of the point system? Do our stories no longer interest him? Has he simply lost his luster for our little voting game? There is so much that we don't know. How did a cat even learn to read?

Still we ask. Still we wonder.

Where are you, intellikat?

## Chapter 3 by **-**

Those of us who are new, only hear the legends of this Kat. We don't really know the truth.

Some say he used to draft at 10pm on every single day. But we newbies have not encountered that.

something that most takes for granted

Even more astonishing is to see that he has actually created a new story.

But the most amazing sight, is when this Kat is seen in chat... That is an image very few have actually witnessed.

Yes, we do indeed wonder - Where are you Intellikat?

#### Chapter 4 by celloandjello

Everyone wonders, who is he? Is he even a he? Or perhaps... the opposite?

Is he maybe more than one writer?

What is he like?

Questions and mysteries surrounding this Kat... is he even real?

Nobody knows who he is, where he is, even what he is.

What are his secrets? How does he get so many points and write so many drafts, while our brains are still struggling to remember the correct spelling?

We can only hope that he deems our stories worthy of him, and his drafts.

#### Chapter 5 by Strawberrychan17

So I remained in this perpetual state of being avoided by intellikat.

I was undoubtedly a cat lover who loved to write, I would've thought such grand offerings would've been accepted at the cyber shine of intellikat; but alas- I was still awaiting the great Kat's arrival to this day.

Would it always be this way?

Would I never be deemed worthy by the almighty Kat that reigned over cat heaven and draft

hell on earth?

Strawberrychan17, wherever you go. Whatever you do. I will be right here waiting for you. Whatever it takes, or how my heart breaks. I will be right here waiting for you.

## Chapter 7 by awesomesauce

And there he was, calm, collected, he was the most perfect Kat anyone has ever seen.

## Chapter 8 by -

No, that is not true. I have found the key to annoying Intellikat. But I will keep it a secret, so only I will have the pleasure of doing so.

Yes Kat - I know the game you play now! You don't intimidate me anymore, you are only a kitten...
